Message from Jacob Achen

Dear Friends in Christ,
Greetings for a Happy and Prosperous New year 2010.
Time is very valuable, it is the most precious gift to us to serve our relationships, Resolution is to discard our old habits, to study the scriptures constantly, and never to do anything which is sinful. But often our resolutions need to be so serious, it only last for few weeks or for a few months. But we should be aware of in the context of United Words, any resolutions to follow God is not a casual promise. Rather it is a solemn and serious declaration that with the help of holy spirit we can renew every day. What are the resolutions we have taken this year 2010? Nehemiah 10: 29 the verse says

"(They) entered into ……an oath to walk in gods Law……and to observe and do all the commandments of the lord our lord." This oath was so serious that they were willing to accept the curse of God if they fail to keep the commands.

We must have a purpose with which we approach to God for His relationship, even often referred to life is a road and hold many stones to illustrate this responsibility towards God. Life is always a road and a track. We don't know all the tests God will give to us in this new year; It is a test of faith and promise towards God. Some of them are delayed promises, unanswered prayers, undeserved criticism, impossible problems etc. The important thing is how you act when you feel Gods presence in your life.

Gods believers are assured that God will supply all their needs according to His riches in glory. Philippi 4: 19, Rom 8:32.

May God bless us all with Riches in Christ in this year 2010. HAPPY NEW YEAR.

Yours in Christ Jesus
Rev: Jacob C Mathew.
