"Dearly beloved in Christ"

"I am very happy to address you through the parish bulletin.

Once again, we are facing the summer season. Don't get upset with the climate change. This is beautiful in the sight of God, and he makes it happen. It is God's way of purifying the nature to keep human race exist healthy. I remember the story of a young man who complained about and cursed the high rain season. By hearing the curse, the 'rain angel' disappeared, resulting in the destruction of the entire plants and vegetables in the areas and thus the living creatures. So every season is a gift from God. God has a purpose behind climate change. If we recognize and approach it with such a positive thinking, we get positive energy from this weather as well.

"The future in our Lord's hand, the doubts, anxiety and uncertainties the Lord can resolve for us.

St.John Chapter 14 gives us the picture about our Future.

"The future Home Vs.2

The future Reunion Vs.3

The future Achievements Vs.12

The future Resources Vs.13

The future Companionship Vs.16

The future Legacy Vs.27

The future Joy Vs.28

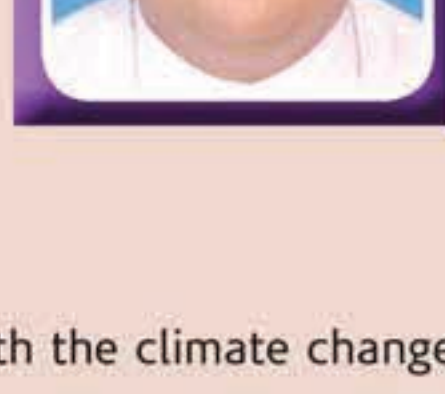

"Whatever weakness you are having in life, that I will eliminate the weakness bring the strength in us." It's possible through our trust in the Lord.

Remember who you are. You have been created for spiritual greatness. God expect you to follow in Jesus footsteps. Let your attitude be the same as Jesus. The quality of your life depends on your attitude and the way in which you approach and plan your life. If you put Christ at the center of your life and thoughts, you will discover that, by appreciating your life, you continually move closer to Him. Regardless of how bad things appear, Jesus is greater than any situation. He is our eternal contemporary. Meet every day with joy and expectation, and then you can live a happy, victorious life."

May our Lord almighty strengthen us to worship him in the way he wants us to worship him.

With Love and Prayer

Rev K.S.Mathews
