# Message From Assistant Vicar

## Healing within the Family

Dearly beloved,

Greetings in the matchless name of our Lord and saviour Jesus Christ. Our Church has been meditating on the theme "Church as a healing community" and the sub theme for this month is "Healing within the family".

Family is a God designed institution. Family has a vital role in the life of every one. Family is a place where we can find consolation or we can rely at any time. We must have a

healing touch by the Master within our family. Healing within our family will be achieved when it is founded on the teachings of our Lord and saviour Jesus Christ. If we build our families around Christ's principles our family can be a place of refuge, peace and immense joy. Healing within our family will be possible if we follow and practice the following principles:

1. Put faith in God: We need an unconditional faith in Lord. (Jere.17:7)
2. Pray together: A family that prays together stays together.(Philip.4:6)
3. Love each other: Love is the heart of all religions, love is to human heart what sun is to flowers.(St. John.13:34)
4. Forget and forgive: A Christian who is not willing to forgive others couldn't find fellowship with God and he will never find healing in his life. Forgiveness is a God given ability. (Gen 45:4-5)
5. Repent before the Lord: Repentance is one of the first principles of the gospel and is essential for our temporal and external happiness. It is a change of heart and mind that gives us fresh view about God, ourselves and the world. Repentance means turning away from sin and turning to God for forgiveness. (Proverbs.28:13)
6. Respect every member: Accept the people as they are and give proper respect to all.(Philip:2:2-3)
7. Rely : Always trust in the Lord.(Psalms. 16:1)
8. Be a good listener: Everyone should be quick to listen, slow to speak and slow to become angry.( James.1:19)

If we practice these principles of our Lord in our daily life, we can experience healing within our family. May God bless us all for the same.

Yours in Christ

## **Tips for Effective Parish Life**

1. Encourage our members to attend the Holy Qurbana regularly especially your children.
2. Bring the Holy Bible and the respective worship order book (Malayalam/English) along with the current year Maramon Convention song book whenever you attend the service.
3. Please see that you switch off your mobile (or keep it in silent mode) during the worship.
4. Kindly ensure that you reach at least 5 minutes prior to the start of the worship service in the church.
5. Do not leave the church after the worship until the fourth Blessings is given by the Priest and the Doxology is sung by the Church Choir.
6. Wear respectful clothes in church.
7. Do not eat any snacks or drink any juice within the church during the Worship.
8. Before leaving the church after the Holy Qurbana, offer a word of prayer thanking God almighty for the blessings he has showered during the past week and to enable you to lead the coming week filled with his grace and mercy.
9. Try to fill in the vacant seats in the front while coming to the church so that those who arrive later will find place to sit. Do not leave unnecessary gap in between the seats.
10. After the worship, try to spend time meeting new persons in the church.
11. Kindly ensure that only one parish bulletin which is published by the parish every month is taken to your home.
12. Be free to contact your Vicar, assistant vicar or Church officials (Contact details are published in our Parish website and Parish Bulletin).
13. Try to actively take part in the Organizations meeting and Area Prayer Group meetings as this will supplement your daily spiritual growth.
14. Those Parents with small children can sit in the balcony / Navathy during the Holy Qurbana.
15. The church is open all the time to enable its members to come and pray at their conveniences.
16. Kindly inform the vicar/secretary change of residence or change of telephone and also ensure that the details related to your address is updated in the Parish records.
17. Be careful regarding the use of social media (Facebook, WhatsApp etc.). It should be used only to communicate our events and programs that are held as a part of our Parish. We should never use it for passing our comments, general conversation or criticizing others or the Parish.
