## ***Message From Chaplain***

SHALOM

In the past few months we were witnessing various incidents of wars, air-crashes and diseases which has killed many people. It's a very sad fact that many children died in wars and air-crashes. The Ebola virus has created a great havoc in Africa. Despite all modern technologies, we could see the helpless situation of humans. Many questions would haunt us but we could get an answer only in relation to God. One thing is for sure that we have to rely on a greater power none other than God who is the source of peace and justice.

In our day-to-day life we also have to encounter certain problems that we don't expect. It is in this context that we should know what is Shalom? The Hebrew word for peace "Shalom" doesn't mean a trouble free world but is a state that a person experiences in relation to God. The prophet Amos says "Let justice roll down like waters". Our God is a God of justice.

Let me share the experience of a lady named "Sundaramma" who was a member of Mar Thoma Mission, Narasapuram, Andhra Pradesh. She was illiterate, a widow and a mother of three children. She worked as an Aya in the mission school. She had a good faith in the Lord. She had been suffering from frequent physical problems. Despite her physical difficulties she made it a point to clean the Church on Saturday evening. She believed that the Lord will bless her children if she cleaned the Church. "A small and simple faith". She used to bring her "first-fruits"(tithe) to the Church. She had no complaints of her financial burdens and disease. Now she is no more, but still I speak about her because of her faith in the Lord. Our Church is celebrating the Sevika Sangam Day. Women are playing a major role in the Church, family as well as society. Let us thank God for all their services and may God continue to use them to bring change in the society.

The Church honors the Senior Citizen members for their vast experience. We also have a Senior Citizen Fellowship in our Church. Becoming a senior citizen doesn't mean to become stagnant but to remember "the best is yet to be revealed". Let us thank God for their leadership.

The CSI Church is celebrating its foundation day on Sept. 27th. Let us participate in their joy by praying for them.

Moreover the Church is focusing on the Sacrament of Baptism. The faith and the practices of our Church has to be understood clearly. The young generation has to be nurtured in the faith of the Church.

It's high time that we pray and work hard for the Gulf Youth Conference that it may be a blessing to all the youths of this gulf region.

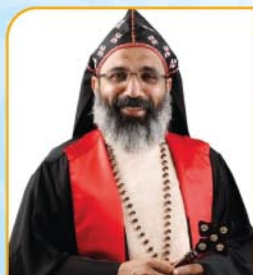

May God bless us all. SHALOM

**Rev. Roby Jacob Mathew**
